Some reminders

- **The Absence Line**

Mr McWilliam's direct line is to notify student absence only. This is so the main switchboard is free for other calls. Unfortunately, if you do leave messages which do not pertain to your child's attendance or which are not in direct response to Mr McWilliam asking you to contact him, he will not be able to deal with them. In particular, curriculum enquiries should be directed to your children's Head of Year in the first instance.

- **Sporting Licences**

Students who are asked to participate in sporting activities not arranged by the school or Suffolk County Council are reminded that they need a licence to do so. Details are available from Mr McWilliam.

- **Work Permits**

All students who have part-time jobs including those in year eleven who are over sixteen and those who work in a family member's business require a permit. Full details and application forms are available from Year Heads, Mr McWilliam, the bulletin boards and our website.
