

CLUBS AND ACTIVITIES FOR THE AUTUMN TERM 2009

We are pleased to publish this term's list of regular clubs and activities. In addition, there will be one-off activities and trips notified as they occur. The staff give freely and generously of their time to ensure that there is a huge range and depth of activity on offer and we encourage every student to consider at least one extra curricular activity. This year's **musical will be performed at the Theatre Royal in February** and was launched to all years today with letters and a separate rehearsal schedule issued next week.

The **Duke of Edinburgh's Award** scheme, the **Arts Award** scheme and the **technical team** will continue with opportunities for year nine to become involved shortly. The **Engineering in Education** scheme will be launched later this month. The **Art studios** are available to GCSE and 'A' level students after school on Tuesdays and Thursdays. Students need to book this in advance with their art teacher.
