

Application for County Upper School Year 12 From September 2010

Please complete even if there are no changes to your original application, forms can be handed into reception or emailed to Mrs Rossi (details below)

Thank you for applying to join County Upper Year 12 from September. We have looked at the provisional choices made earlier in the year and in response both County Upper and St Benedict's have made adjustments to the subjects we will offer this year. We have added some additional groups and rearranged some of the columns. We hope this will enable the vast majority to select a suitable programme of study .

Please confirm your choices of subject from the plan overleaf. All choices made are subject to you achieving the academic grades required in the summer examinations. If you do not achieve these grades you may not be able to study your choice of subject. If you change your mind after results you need to be aware that a course may already be full and you will not be able to choose it.

All students will need to select a challenging yet achievable programme for year 12.

You must select a **minimum of 4 AS subjects** or the one year **SEEE*** programme Some students may wish to strengthen their profile by selecting five subjects in which case the fifth should be from the list below which are '**enhancement subjects**' and lead to full qualifications but only take up two lessons per week. All other subjects take six.

1. **AS Critical Thinking** (suitable for students seeking to study Medicine, Veterinary work, Law, and related academic courses)
2. **Level 3 Extended Project** (suitable for students who like to work independently and enjoy course work)
3. **General Studies** (suitable for those who enjoy debate and sharing opinions on a wide range of contemporary issues)
4. **Italian** (A fun beginners course which has a focus on business)**Community Sports Leaders Award** (Helps to develop leadership skills in a sporting context)**Basket Ball Academy** students select three subjects as the fourth is **Basket Ball Training**. *SEEE course (Level 2) programme is subject to a satisfactory interview. if you choose this now you will be contacted for an interview

Full Name

Date of Birth

I wish to study the subjects selected below:

	Column 1	Column 2	Column 3	Column 4	Column 5
CUS	English Lit	Art	Art	Applied Business	French
	Environmental Sc	Chemistry	Design	Biology	Maths
